Dear Sirs,

Sub: Strides Puducherry facility receives Establishment Inspection Report (EIR) from USFDA confirming the reclassification of the site from Official Action Indicated (OAI) to Voluntary Action Indicated (VAI)

We would like to update you that Strides Pharma Science Limited (Strides or Company) has received an Establishment Inspection Report (EIR) from the U.S. Food and Drug Administration (USFDA) for its Puducherry manufacturing facility (Facility), stating the inspection conducted between February 20-24, 2023 has been closed. The USFDA has classified the facility from Official Action Indicated (OAI) to Voluntary Action Indicated (VAI).

The USFDA had classified Strides Puducherry facility as OAI in May 2019 followed by issuing a warning letter to this site in July 2019.

Strides Puducherry facility caters to the U.S., other regulated markets, and institutional businesses and produces finished dosage formulation products across multiple dosage formats. Consequent to this reclassification by the USFDA, the filed ANDAs from this facility will now start receiving approvals.

The Company remains committed to the highest standards of compliance and will continue to focus on manufacturing high-quality pharmaceutical products for the Global markets.

We request that you take the above on record.

Thanks & Regards,
For Strides Pharma Science Limited
