Strides Shasun receives USFDA Approval for Cetirizine Softgel Capsules

First Indian Generic Company to receive approval for Cetirizine (Softgel)

Bangalore, July 24, 2017 Strides Shasun Limited today announced that it has received approval from the United States Food & Drug Administration (USFDA) for **Cetirizine Hydrochloride Capsules, 10 mg (Liquid Filled Capsules) [OTC]**

According to IRI data, the US market for Cetirizine Hydrochloride Capsules (Softgel) is approximately USD 60 Million, with only one other generic player. The product will be manufactured at the Company's flagship facility at Bangalore and marketed by Strides Pharma Inc. in the US Market. The product is ready for launch immediately and as in the case of OTC products, the market formation takes time and the Company expects to have an important market share in approximately six months.

This is the first approval for a Softgel product after the recent US FDA inspection at the Company's Bangalore facility.

About Cetirizine Hydrochloride Capsules

Cetirizine is an antihistamine used to relieve allergy symptoms such as watery eyes, runny nose, itching eyes/nose, sneezing, hives, and itching. It works by blocking a certain natural substance (histamine) that your body makes during an allergic reaction.
